

**Your Dental Health: Capacity enhancing resource project for people with intellectual disability.**

The Your Dental Health partnership between Inclusion Melbourne, Monash Health, Centre for Developmental Disability Health Victoria, Carrington Health, and Dr Richard Zylan has produced a series of resources aimed at bridging the gap between dentistry and the intellectual disability support sector. The resources include videos and a currently 'under development' Guide for Dentists designed to increase dentists' awareness of disability support practices so that more people with intellectual disability will be able to visit their local dentist and be assisted by their families and support staff to receive the ongoing care they require. The Your Dental Health videos are available at [www.inclusiondesignlab.org.au/dental](http://www.inclusiondesignlab.org.au/dental).

*Your Dental Health workshop held in July 2017: (L-R) Nathan Despott, Dr Richard Zylan, Carina Martin, Dr Ramini Shankumar, Dr Jane Tracy.*
